

SHAHEEN WATERPROOFING SERVICES

Professional Waterproofing & Heat Proofing Solutions

Protecting homes, commercial buildings, warehouses and industrial properties from water leakage, seepage and excessive heat since 2004.

Minimum 5-year warranty on offered services • Quality chemical products • Experienced workmanship • Services across Pakistan

OUR SERVICES

Roof Waterproofing

Professional roof waterproofing solutions to protect exposed roofs from rainwater, moisture, seepage and recurring leakage.

Roof Leakage Treatment

Inspection and treatment of roof cracks, joints and vulnerable areas to help stop recurring water leakage.

Bathroom Leakage Repair

Bathroom leakage repair and waterproofing for cracks, joints, floors and other moisture-prone areas.

Basement Waterproofing

Protection against groundwater, seepage and moisture penetration in residential, commercial and industrial basements.

Wall Seepage Treatment

Treatment for damp patches, moisture penetration, peeling paint and recurring wall seepage.

Water Tank Leakage Treatment

Repair and waterproofing treatment for cracks, joints and leakage in water tanks.

Roof Heat Proofing

Heat-proofing solutions for RCC and other roofs to help reduce heat absorption and improve indoor comfort.

Wall Heat Proofing

Exterior wall heat-proofing solutions designed to reduce heat transfer and improve indoor comfort.

WHY CHOOSE SHAHEEN WATERPROOFING SERVICES

- 20+ years of experience in waterproofing and heat proofing
- Quality waterproofing and heat-proofing chemical products
- Professional and experienced service team
- Residential, commercial and industrial solutions
- Minimum 5-year warranty on offered services
- Leakage, seepage, waterproofing and heat-proofing solutions under one roof
- Service coverage across Pakistan

OUR APPROACH

We inspect the affected area, identify the likely source of leakage, seepage or heat transfer, and recommend a suitable treatment based on the property's condition. Our focus is on practical solutions, quality materials and professional workmanship.
